Stórmerkileg mynd sem hefst kl. 17.30 og síðasta Café Lingua í bili. Ókeypis aðgangur og allir velkomnir: Mmiðvikudaginn 14. maí bregður Café Lingua sér í Bíó Pardadís þar sem sýnd verður kvikmyndin Wadjda. Myndin er frá Sádí-Arabíu og var sýnd hér á kvikmyndhátið. Hún segir frá Wadjda, hressri og kátri 10 ára stúlkum, sem langar að eignast reiðhjól.

Söguhringur kvenna/The Women's Story Circle er ekki fyrir listum - heldur hringjum. Hér standur kraftmikill kvennahringur, 30 konur, við Alþingi síðasta laugardaginn eftir meðal annars að hafa skrifað öllum 30 konum á þingi stutta persónulega sumarkveðju með ósk fyrir framtíðina. Vonum að þær hafi ratað alla leið :).

Misinformation online

- Misinformation - “false information that is spread, regardless of whether there is intent to mislead.”
- Disinformation - “deliberately misleading or biased information; manipulated narrative or facts; propaganda.”
- Fake News - "purposefully crafted, sensational, emotionally charged, misleading or totally fabricated information that mimics the form of mainstream news"

Shaping Europe's Digital Future

Digital solutions that put people first

These digital solutions will

- open up new opportunities for businesses
- encourage the development of trustworthy technology
- foster an open and democratic society
- enable a vibrant and sustainable economy
- help fight climate change and achieve the green transition

Europe as a global leader

The European Union will

- aim to become a global role model for the digital economy
- support developing economies in going digital
- develop digital standards and promote them internationally

Benefits of the EU's digital strategy

- The EU's digital strategy will benefit European citizens, businesses and the environment.

3 major interrelated ecological crises

We are encountering three major interrelated ecological crises...

Climate change

Biodiversity loss

Pollution

... and our unsustainable use of resources is a key driver for all of them.
